Dalli scritti di Jacopo Valvasone di Maniaco sopra le cose del Friuli si è tratta la seguente particella.

A 150.

BVJA.

BVJA era un maschio posto verso Tramontana sopra un alto colle di vaga ed aperta prospettiva, discosto da Udine circa X. miglia, luogo molto antico, che fù abbrucciato come si ha per fama, da Attila nell'assedio d'Aquilegia, di cui fassi menzione nel Privilegio d'Ottone il primo, e nel Catastico vecchio di Grado. Questo luogo fù posseduto per alcuni anni dagli Orsini Romani, li quali nel MCCCXLVIII. furono scacciati dal Beltrame Patriarca, e dalle genti Udinesi astratti dall'estrema fame, che era, in que' tempi per tutta l'Europa dopo un lungo assedio di due anni avendo spianato il Castello di maniera che da indi in quà non è mai stato ristorato. Quivi per lungo tempo ha abitato la Famiglia de Rizzardi, la quale per opinione d'alcuno ebbe origine dai sopradetti Orsini. Dopo la ruina del Castello il Patriarca unì la giurisdizione con l'entrate che à nostri tempi sono di mille e più ducati all'anno con la camera Fiscale, e fatta Gastaldia fù da poi concessa in Feudo à Federico Savorgnano nel MCCCLXX. La Villa è una delle maggiori di questa Patria dove in alcuni colli posti a vista di mezzo giorno nasconi vini dolci e delicati, per sotto li quali scorre la Ledra Fiumicello celebre per gli ottimi pesci. Fra questi colli si hanno ritrovati marmi d'un bel mischio stimato al pari d'ogni altro, che si trovi nell'Italia

Tra le Ville suddite euui VENDOJO, doue era un Girone disfatto già molti anni sono, talmente, che di lui più non si veggono vestiggi, vi è solo rimasto il sottoscritto Epitafio, dopo la cui rouina què Nobili abitarono in Vdine, ed ora sono estinti.

Veduti gl'instrumenti d'acquisto di ser Piero Lucerna 1526
15 Xbre, et 1527 19 Aprile, et di Pietro del Calligaro 1534
9bre detto, nelli quali in particolare li Compratori acquistano
li beni in Palude descritti per confini come in essi instrumenti
et per uno d'essi confini in ciascun instrum.to viene
chiamato l'istesso Pallude che è bene Com.le atteso li
tittoli con la prescrittione centenaria che assicura
li possessori d'ogni molestia, etiandio contra l'investitura
istessa; sento che la perticatione nova fatta d'essi beni
non possa apportar alcun pregiuditio al Dominio, et
continuato possesso d'essi possessori et ne anco la concessione
de Com.li fatta al Comun di Buia dell'anno 1633, quando
anco per essa apparesse che fussero compresi essi beni
come di sopra dalli suddetti particolari acquistati, se però
non apparesse la prova che tali beni avanti il tempo
d'essi acquisti fussero Com.li, nel qual caso ancora detta
prescrittione centenaria, un tittolo sarebbe (?) detto
consideratissimo; et questo è il mio senso, salvo sempre
più sano giuditio. L. D. C. M.

Presente il Sig. Gio: Batta Calligaro uno di d.ti Eredi accordo l'ordinata pubblicazione ...

Segue la Sentenza
In Nomine Domini

Scritture ... Agosto 1781 prodotta dagli Eredi q.m Daniello ed Angelo Calligari Marves esprimendo le infrascritte ... parte ... del molto R.do Padre Gio: Batta Co: di Lvampero Rettore attuale della ... Capella di S.ta Margarita di Lvampero premetterò un principio fondamentale Giurisprudenza teorica, e pratica, il qual è, che havendo la famiglia ... come consta dalle Divisioni seguite tra li ... fratelli ... Gio: Ant.o e Nicolò ... nell'anno 1580 diviso tra loro fratti l'aggravio specifico del censo annualmente pagabile alla pred.ta Ven. Capella e ... il fatto che questo censo è stato realmente pagato ... fratti e loro successori, tutti li beni componenti la facoltà ... venuta da d.ti fratti ... e ... a d.to Censo, benche non consti ... con specifica dimostrazione, quali e quanti siano i beni che furono ... di ragione di d.ta Cappella, sopra i quali ... il censo medemo

... questa proposiz.e ... facile e molto convincente ... se i debitori del Censo nel dividere la loro comune facoltà divisero ancora il Censo medemo con questo atto medemo ... confessano ... attualmente ... beni della Cappella, o d'esser debitori d'esso Censo per avere

l'arbitrio di disporre de benni med.mi che se poi nelle divisi
oni stesse non esprimono i specifici benni sopra i quo
cade il censo, questa loro ommisse, o' provenuta dall'
innavertenza, o' forse anche dalla malitia non puo' mai
esser assicurato senza indurre une specifica ipoteca sopra
tutti i benni de debitori med.mi La quale dalla Legge
viene indotta e presunta altrimenti i Luoghi Pij dou
rebbero assogettarsi alla disgrazia perdere le loro ven
dite censuali che hanno riscosse da secoli che sono state
pagate nel corso de secoli dalle famiglie de debitori.
Con queste legali riflessioni fu stabilita la Legge 2 marzo
1658. all ... Pij Luoghi Ant.o Arimeni autorizate dall
Ecc.mo Senato col Decreto 28 maggio 1659 nella qual
Legge al capo 15.mo fu stabilito che alle partite, che
vengono pagate a Luoghi Pij, quando siano smariti li
benni ad esse partitam.te obligati debbano constituirsi
altri fondi a manutenz.e del censo, e dell'affitto ben
conoscendo la sapienza del Principe Ser.mo non esser
giusto, che il Luogho Pio resti privato d'una vendita
... e pagata per lungo corso di tempo e che la
... o la malizia de debitori smarendo ... ...
tando i benni specifici de Luoghi Pij compresi dalle
antique Locazioni possate in remota Calmia a ... di
trionfare a danno de med.mi Luoghi Pij: Quando pero'
e' certo che il ... alla ... capella e' stato
... Fratelli Lizzardi, e pagati ... sempre ...
che la faculta di essi Fratelli e i benni che la facolta
di essi Fratelli, e i benni che la componevano siano sog
getti ad una ratta proporzionale come benni o'
presunti di ragione diretta ... ... e speci
alm.te obligati alla preservaz.ne del censo a lei dovuto
Ecc.za scritt.a si rimanga che gli stessi eredi obligati no
ores conoscano la giust.a e la verita' di questi legali
principij, ma vorebbero elludere la verificazione
ed effetto de med.mi col sottrare in parte i benni de

essi Eredi posseduti, cosiche havessero a soggiacere ad una pena e picola ratta pagabile alla Capella.

Tentano in primo Luogho di levare un pezzo di terra chiamato [illegible] col pretesto che questo sia stato di ragg.e dell Ecc.ma Casa Savorgnana e compreso in una permuta dell anno 1509, [illegible] rimanere [illegible] diretta della [illegible] a soggetta si a ratta. [illegible] detti [illegible] s'ingannano prima nel fatto perche non hanno modo di giustificare con prova legitt.a che il supposto fondo fosse di raggione Savorgnana, ma quando pure ciò giustificassero, essendo questo [illegible] nella famiglia Rizzardis, e poscia diviso tra li tre fratelli che si hanno riconosciuti debitori del censo verso la Capella, questi [illegible] ancora [illegible] il censo e doe [illegible] la ratta ugualmente, che gl'altri benni della facolta debitrice.

Professano in 2do Luogo di esimere Castenetto di raggione della Gastaldia espresso nella notificazione 1433 ma nemeno di questo appariscce alcuna dimostrazione in fatto, ne alcuna prova d'identità, e quando pure venisse giustificato sarebbe il Castenetto [illegible] raggione soggetto alla rattazione a favor della Capella.

In terzo luogo ostentano una rattazione formata nell anno [illegible] a norma della quale professaresero che fosse liquidato il censo sopra i benni da essi Eredi posseduti ma fanno uso d'una carta [illegible] la quale non ha alcun vigore, perche non ha mai sortita alcuna esecuz.ne finalm.te pretendono che il censo di [illegible] di Vino [illegible] sopra i benni, che venivano posseduti dalli [illegible]

[illegible] discendenti da Simone Rizzardis uno de tre fratelli, al quale fu assegnato nelle divisioni questo aggravio di Vino, ma in questo [illegible] ancora gli heredi [illegible] apertamente s'ingannano, perche il [illegible] dell'aggravio fatto [illegible]

Divisioni non ha separato l'obligazione radicale del censo che stava a peso di tutta la facoltà divisa e però la Ven. Capella deve assicurare e conseguire il suo censo ... fore il riparto con la forma arbitraria con la quale è stato ripartito l'aggravio tra i tre Fratelli, ma prendendo il censo intiero ed unito, ... deve distribuirlo sopra tutta la facoltà de' Fratelli che si divisero, come facoltà connessa al detto censo e per loro confessione, e per una necessaria legale presunzione.

E con questi motivi lo credo che possa ... il re sistere a tutti i pretesti imaginati dall'Eredi e che il N.H. e Ecc.mo Sig.r Co. Rettore preservarà alla Ven. Capella l'intiero censo ... Tutti i beni che erano posseduti dalli tre Fratelli Rizzardis e così sente.

Pietro Somoda D. di F. fiscale del Comune di Udine

L. D. S.

Quantunque il Censo esigibile dalla Ven. Capella di S.ta Margarita di Prampero non si sia in sua origine e principio sopra maso Ecclesiastico ma laico tuttavia accordata in via d'esclusione la massima propunto dalla legge 28 Maggio 1759 per cui il volersi conservatore del Rev.do Rettore di d.ta Ven. Capella ha stabilito la di lui estesa non potrò nelle precedenti circostanze di censo e di causa restar abbandonati gl'Eredi delli q.m Daniel ed Angel. Primo Consta dal Rottolo intitolato Jesus 1517 tempo più prossimo che non è il secolo corrente all'origine del Censo in cui chi formò gl'impianti deve presumersi meglio informato di quello già l'attual R.do Rettore delle vera qualità e quantità de beni su' cui era infisso il Censo stesso siche quelli soli beni devono presumersi ... al censo, e compresi nella primitiva Loca[zione] passati in Collonia perpetua, e non tutti quelli venissero ... dalla famiglia Rizzardis ... quelli sopra quelli, e non sopra altri deve ... cedere la vatta del Censo 1663 cioè ... la già fatta o formarsene rispetto al Vino ... beni furono a quel tempo sequestrati, e venivano possessi[?] ... approvate col fatto dell'esazione recente da possessori
rattati, e molto meno col specioso istruvato d'esser in
pericolo della perdita delle rendite quando ciò non può
verificarsi seguendo un equilibrato comparto, e restino
inclusi li beni stati per trascuragine commessi e come
si è riservato l'attual Rdo Rettore con la Liquidne 28.
marzo 1760. praticata contro gl'eredi Calligari seci qual
riserva fu posta in pratica dal Rdo Rettore col Contratto
1763. 10. Luglio stipulato con essi Calligari coll'aggiunta di
censo a carico e meno maggiore di quello fu posto
nella volta 1663.

È meno, insiste il Rdo Reverendo fondato de premessi
riflessi di includere tutti li beni espressi nelle prime divi-
sioni Rizzardis per essi al di lui censo, mentre se oltre
li beni 1517 sequestrati, come specifice ... alla
Ven. Capella, e su quali solo può avere dominio di-
retto esso Reverendo, possedevano li Rizzardis altre
terre, questi erano indubitatamente d'altra ragione su
de quali i Rizzardis erano tenuti pagare altri molti
aggravi come spica dalle Divisioni medesime

Procedendo poi detti Eredi Mauresi a vindicare li capi della
propria scrittura 4 Agosto 1763 da ogni intelligenza
contro la mia Scrittura per parte del Rdo Rettore
avanzata, colla quale nessun per sogno sono venuti
ad accordare i sinistri principj dal Rdo Avversario
stabiliti, ma a particolarizzare la propria singolar dif-
fesa sopra li beni ex adverso impetiti, e da loro
posseduti, si considera in genere che niuno di dti pezzi
fu compreso mai fra confini de sequestri 1517
confinazioni e rotte 1663 e particolarmte per riguardo
quando si riflette.

Rispetto al primo Capo che la terra ~~[illegible]~~ ali Macres pretendono di esimere dall'Idea del R.do Rettore, è quel 2do pezzo che nella permuta 1504 vien denominato Tamba di Cost. confinante con la strada, potrea incorporato bensì in maggior corpo, che possedevano li Rizzardi, quale corpo navi passaggi in mani di più persone ... [illegible] per loro titoli pervenuta in detti Macres annesso all'invariabile confine di strada publica. Convien anco sì per certo la permuta in fatto, e ne altresì per infallibile anversità d'identità di questa terra quando il R.do Rettore non sappia additarne l'altra, su cui venga a piombare la permuta stessa, che quantunque pervenuta colla permuta in dti Rizzardis [illegible] esser ... [illegible] verso la Vens ... ne potrà ... valta di sorte, per quanto è stato ... [illegible] ... ierato.

2do rispetto al Terreno Castenet compreso nel maso della Famiglia Comina, o sia Rizzardis, residente di ragg.e della Castaldia possata nell'Ecc.ma Casa Savorgnana, ed abbracciata nella notificaz.e 1435, non può mettersi in dubio l'identità quando la compresa ne sequestri 1511 non [illegible] l'identica con quella dei Macres, sulla [illegible] diversità de confini. Dunque quella dei Macres deve esser diversa.

Unisce anco il rito il ... [illegible] quantità e qualità ... espressa ne sequestri 1511 e di carra ... di fieno ... cioè di fondi prativo e non bosco, e la posseduta da Macres è un pezzetto, cioè poca quantità, e non due ... ed è boschivo, e non prativo, oltre di che chiamasi Castenedo, e non Ronco... anzi la famiglia Rizzardis corrispondeva alla Castaldia sive all'Ecc.ma Casa Sav. il censo come ... [illegible]

[illegible] si considera che [illegible] li Eredi Macres [illegible] la vatta 1663, perche poggia a' primitivi benni compresi ne sequestri [illegible] a cose giudicate ed officiaz. seguita come è stato ad altro passo accenato.

Circa poi il Vino Co: 3 come l'[illegible] al Finitio [illegible] particolare e separato dalle biade a' peso delle tre sorelle, e vedonsi li benni sequestrati per detto Vino per consequenza obnoxij al med.mo giusto la nota [illegible] così non credono detti Eredi di poter [illegible] nel loro giusti pensamento, se intendono i sequestri detti, e soli benni vengon firmate le vatte rispetto al Vino, che non è forma arbitraria ma bensì raggionevole e viene la Ven. Capella a conseguire, ed assicurare il suo censo.

Andum. se mai [illegible] insiste di [illegible] dominio diretto sopra tutta la facoltà Rizzardis indistincte, e vogli l'intiera facoltà obnoxia al suo censo, che per altro non fu mai confessato, ne può portarne una legal presunzione

Dovrecchè in caso tal [illegible] avesse a verificarsi [illegible] fare confinare, e vattare tutti, e niuno eccettuato li benni [illegible], ed espressi nelle primitive [illegible] Rizzardis [illegible] Eredi Macres riportare tal vantaggio, che a' di loro carico [illegible] sussistere [illegible] vatta [illegible] in virtù del 4to Capo di loro scrittura 7 Agosto 1767

Sarà [illegible] ed [illegible] delli premessi [illegible], tenere la validità e sussistenza de capi proposti dagli Eredi di Macres. [illegible]
